All sweepstakes game cards have an equal chance to win prize money based on the performance of the random football teams printed on the back. Game cards contain 3 random teams in each of the 17 weeks of the pro football season (you get 3 new teams each week). To play the game, participants simply add up the points scored by their 3 teams. Every week, the 4 highest scoring game cards, and the 2 lowest scoring game cards all win prizes.
