August 2010

Dear Parents/Guardians,

We believe and have said so many times, **SACRED HEART IS A FAMILY**. It is important for us to remember that as family, we each—students, parents, teachers and priests--share in the responsibility of providing for the religious formation, the physical well being and the academic growth of each member of our student body. It is that partnership that allows us to grow in love and mutual respect for one another and to bring Christian values to our community.

The Sacred Heart Handbook identifies the responsibilities parents, guardians and students must accept in order for the faculty, priests and administration of Sacred Heart to provide for the needs of the children entrusted to our care. Parents are asked to read this handbook with their children and discuss with them those sections relating directly to their daily lives at Sacred Heart.

## IMPORTANT

**Read carefully all the sections in the handbook. After reading the handbook, parents/guardians and all students are to sign the form below and return it to your child's homeroom teacher within the first full week of school.**

The beginning of each new school year is filled with such hope and promise. Students, parents, teachers and priests look forward to an exciting year filled with prayer, learning and friendship. We thank you for your cooperation and support, and hope you have a wonderful year at Sacred Heart School.

Mrs. Barbara Ciconte, Principal
