*Due to the increase of salaries, insurance fees, utilities, and operating expenses for the school tuition rates & mandatory fundraising fee must be increased in order to continue Sacred Heart School's 2019-2020 school year. We know there are many sacrifices you must make for your child's education---but they are worth every penny.

*All families that register early will allow their child to be out-of-uniform every Friday, starting in March, until the end of the school year!
